Time log

Summary :

02/03/2017

I - Assignment 1

       I will use the tool toggl, to be more precise on the time I spent on the assignment(s)/task(s). I didn't do it for this first assignment because I didn't know this tool and then I saw a message on slack who makes me discover this tool.

- Assignment 1 (3days, 1hour, 5 minutes)
  - Task 1 (1hour, 5 minutes)
